(2) to "The Mexican American Legal Defense and Education Fund" in the amount of Twelve Thousand Five Hundred Dollars (\$12,500), which will be reported on IRS Form 1099 as appropriate to The Mexican American Legal Defense and Education Fund.

- This amount is provided in settlement of each and every claim arising out of the 2. above-entitled action including attorneys' fees and costs as set forth in this settlement agreement and release of all claims.
 - California Civil Code section 1542 states: 3.

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of the execution of the release, which if known by him must have materially affected his settlement with the debtor.

Plaintiffs agree that, pursuant to this settlement agreement and release of all claims, all rights which they may have retained under section 1542 are expressly waived. It is the intention of the parties and their counsel that this settlement agreement constitutes a release of all claims by plaintiffs and a full and final accord and satisfaction of the above-entitled action so as to bar all related, ancillary, or connected actions, costs, expenses, attorney's fees and liabilities whatsoever, whether or not now known, suspected, claimed or concealed, including any all claims against the City of Baldwin Park, and their employees, officers, agents, and independent contractors including the GEO GROUP, who is indemnifying the City, under the terms of its contract in this settlement, for any action arising from the incident from March 7, 2014 to March 10, 2014, which is the subject of the above-captioned litigation.

This settlement agreement does not constitute an admission of liability on behalf 4. of Defendant or any of the City of Baldwin Park's officers, employees, or independent contractors including the GEO GROUP, who is indemnifying the City, under the terms of its contract in this settlement, on any claim asserted by Plaintiffs, whether such claim(s) arise in this action or any other tribunal, whether civil or administrative, and neither the fact of this settlement, nor anything set forth herein, shall be deemed an admission by Defendant of any liability on their part.
